THE SUMMIT LEAGUE

Now in its 26th year as an NCAA Division I athletics conference, The Summit League is in its first year under that name. In May 2007, the Presidents Council embraced the Summit Plan, a strategic plan that places a renewed emphasis on improving the academic and athletic performances of all its student-athletes. Included in the plan was the creation of a new image of the conference and the unveiling of a new name. The Summit League is the third name the conference has held as an NCAA sanctioned league. The Summit League's current member schools are Centenary College of Louisiana, IPFW (Indiana University-Purdue University-Fort Wayne), IUPUI (Indiana University-Purdue University Indianapolis), UMKC (University of Missouri-Kansas City), North Dakota State University, Oakland University, Oral Roberts University, South Dakota State University, Southern Utah University, and Western Illinois University. The member schools pride themselves on providing quality athletic, academic and social experiences for their student-athletes.

The Summit League sponsors 19 championship sports, which include: baseball, men's and women's basketball, men's and women's cross country, men's and women's golf, men's and women's soccer, softball, men's and women's swimming & diving, men's and women's indoor track & field, men's and women's outdoor track & field, men's and women's tennis, and volleyball. A review of The Summit League's highlights over the past 25 years:

1982-83

The Association of Mid-Continent Universities is founded with "Frosty" Ferzacca as its first commissioner. The initial AMCU line-up includes Cleveland State, Eastern Illinois, Illinois-Chicago, Northern Iowa, SW Missouri State, Valparaiso, Western Illinois and Wisconsin-Green Bay.

1983-84

UW-Green Bay and Eastern Illinois each play in the NCAA Men's Soccer Tournament, making them the league's first NCAA Tourney teams in any sport.

1985-86

Cleveland State earns the AMCU's first national recognition in the NCAA Men's Basketball Tournament. The 14th-seeded Vikings upset No. 3 seed Indiana on their way to a "Sweet 16" appearance. In addition, SW Missouri State begins a string of five consecutive postseason appearances by reaching the quarterfinals of the NIT.

1987-88

The AMCU sends two teams to men's basketball postseason play for the third straight season. Ferzacca steps down as commissioner and is replaced by Jerry Ippoliti. Eastern Illinois' Jim Maton is the league's first NCAA National Champion, as he wins the 800 meter run at the NCAA Indoor Track Championship.

1989-90

The AMCU sends a conference-record three teams to postseason play in men's basketball, including Northern Iowa, which upsets former No. 1 Missouri in the first round of the NCAA Tournament. The AMCU changes its name to the now familiar Mid-Continent Conference.

1990-91

For the second straight season, the Mid-Con sends two teams - in this case, Northern Illinois and UW-Green Bay - to the NCAA Men's Basketball Tournament.

1991-92

The league announces that it will begin sponsoring women's athletics - strengthened by the membership of seven former North Star Conference members - the following year with the debut of six championship sports. UW-Green Bay's Tony Bennett establishes the league's all-time scoring record in men's basketball and wins his second straight Mid-Con Scholar-Athlete of the Year Award.

1992-93

UW-Milwaukee wins the first Mid-Con-sponsored women's championship when it takes home the cross country crown. Northern Illinois makes the first NCAA appearance by a Mid-Con women's team in the NCAA Women's Basketball Tournament. Wright State's Brian Anderson is the third overall pick in the Major League Baseball draft after repeating as the league's Pitcher of the Year.

1993-94

Northern Illinois' volleyball squad posts the league's first women's NCAA Tourney win with a three-game triumph over Illinois State. UW-Green Bay upsets California in the first round of the NCAA Men's Basketball Tourney. Six schools depart the Mid-Con at the conclusion of the season.

1994-95

The league's revamped line-up includes Buffalo, Central Connecticut State, Chicago State, UMKC, Northeastern Illinois and Troy State. Jon Steinbrecher begins a league-record nine-year tenure at the Mid-Con helm when he replaces Ippoliti as

commissioner. Valparaiso begins a string of five straight regular-season titles and six consecutive Mid-Con Tournament titles in men's basketball.

1995-96

Charter member Eastern Illinois departs the Mid-Con, but not until after winning its ninth men's outdoor track and field title, a record for all Mid-Con sports that still stands.

1996-97

Buffalo (cross country) and Valparaiso (volleyball) earn the first-ever "three-peats" in Mid-Con women's athletics.

1997-98

Oral Roberts and Southern Utah join the Mid-Con. Oral Roberts begins a string of six straight Mid-Con volleyball titles, and wins its first-round match in the NCAA Tournament by edging Arizona in five games. The Mid-Con becomes one of few NCAA Division I conferences across the nation to simultaneously run its basketball championships at the same neutral site. Valparaiso reaches the NCAA "Sweet 16", thanks to the efforts of NBA draftee Bryce Drew, who hits "The Shot" which eventually earns him an ESPY from ESPN. Youngstown State earns the first Mid-Con women's tourney win, topping fifth-seeded Memphis in the first round.

1998-99

IUPUI and Oakland begin competition in the Mid-Con. Western Illinois wins its eighth men's swimming and diving title. Associate member DePaul reaches the NCAA Softball College World Series, posting a third-place finish, and sets a Mid-Con single-season record with 54 wins.

1999-00

Southern Utah is the first Mid-Con school to win an NCAA Cross Country regional with a victory in the Mountain Region. The Thunderbirds went on to finish 21st in the NCAA Men's Cross Country Championship. Western Illinois softball reels off a 25-game win streak behind Mid-Con Pitcher of the Year Holly Killion, who sets Mid-Con records with 30 wins and 355 strikeouts.

2000-01

Oakland women's soccer player Anita Rapp - a two-time Mid-Con Player of the Year (1999, 2001) and a WUSA draftee - earns a Gold Medal while playing for her native Norway in the 2000 Olympic Games. The Mid-Con renames its Women's All Sports Award for retiring Western Illinois Director of Athletics Dr. Helen Smiley.

2001-02

Southern Utah sweeps the Mid-Con cross

country championships for the fourth straight year, while UMKC captures the conference's first-ever NCAA Men's Soccer College Cup win, a 2-1 overtime triumph over former league member UW-Milwaukee. Oral Roberts' Krista Ragan sets the Mid-Con women's basketball career scoring record (2,105), and becomes the first player in league history to earn four first-team all-conference citations in the sport. Valparaiso posts the biggest turnaround in NCAA women's basketball (from 7-22 in 2000-01 to 26-7 in 2001-02) on its way to reaching the quarterfinals of the WNIT. UMKC's Matt Voelker earns outdoor track and field All-America honors in the high jump.

2002-03

The Mid-Con sets a league record by sending four teams combined - IUPUI (NCAA) and Valparaiso (NIT) on the men's side and Valparaiso (NCAA) and Western Illinois (WNIT) on the women's side - to basketball postseason play. Oral Roberts' Marsha Dawkins earns All-America honors in the 400 meter dash at both the NCAA Indoor and Outdoor Track and Field Championships. IUPUI women's basketball player Tiffany Kyser is Indiana's recipient of the NCAA "Woman of the Year" award (she is also a finalist for the national award). Steinbrecher resigns as commissioner and is replaced by Ron Bertovich.

2003-04

Centenary begins Mid-Con play, lifting the league's membership to nine. The Mid-Con sends two teams (UMKC, Oakland) to the NCAA Men's Soccer College Cup for the second time in league history, and Oakland's swimming & diving programs set league records for consecutive titles when they sweep the Mid-Con Championships for the fifth straight time. UMKC's Michael Watson finishes his career as the league's all-time leading scorer (2,488) in men's hoops, while Oral Roberts' Caleb Green and Ken Tutt are the nation's highest scoring freshman duo. Oral Roberts sets a league record with 50 wins and finishes the season ranked in all four of college baseball's polls. Southern Utah becomes the first Mid-Con school to sweep the men's and women's cross country and indoor and outdoor track & field crowns in the same year. Oral Roberts' Prince Mumba (800 meter) and Western Illinois' Aubrey Martin (shot put) earn All-America honors at the NCAA Outdoor Track and Field Championship; Mumba runs for his native Zambia in the 2004 Athens Olympics, while Valparaiso's Joaquim Gomes plays

for the Angolan Olympic basketball team. The Mid-Con Men's All Sports Award is renamed for retiring Valparaiso Director of Athletics Dr. William Steinbrecher.

2004-05

Oral Roberts' Faithy Kamangila finished 11th at the NCAA Cross Country Championships to become the first woman in school history to garner All-American honors. Oakland claims the Mid-Con men's basketball Championship on a last-second three-pointer by Pierre Dukes to win the title as the seventh seed. In its first-ever NCAA Tournament appearance, the Golden Grizzlies notched a win over Alabama A&M in the opening round before falling to eventual National Champion North Carolina in the first round. For the second consecutive season, Oral Roberts' baseball team collected a pair of victories in the NCAA tourney. The Golden Eagles had five players selected in the Major League Baseball Draft, while Oakland's Paul Phillips was the top Mid-Con player chosen in the ninth round. Western Illinois softball coach Kathy Veroni retires after 34 seasons at the helm, while ORU's Mable Kunihiro garnered All-American honors at the Outdoor Track & Field Championships with a fifth place finish in the 800-meter run.

2005-06

Eastern Illinois and South Dakota State are added as associate members in the sports of men's and women's swimming and diving. The Oral Roberts baseball team becomes the first Mid-Con team to advance to the NCAA Baseball Super Regionals with wins over Oklahoma State and Arkansas. Western Illinois' Zane Teilane becomes the first Mid-Con women's basketball player to be drafted when she is the 35th overall pick in the WNBA Draft by the Detroit Shock. Oakland's Chris Sullivan earns All-America honors in the 100 butterfly and 100 freestyle with Top 8 performances at the 2006 NCAA Swimming and Diving Championships. Ron Bertovich resigns as commissioner and is replaced by Tom Douple. Chicago State leaves the Mid-Continent Conference following the 2005-06 season.

2006-07

Southern Utah's Jess Baumgartner finishes third at the 2006 NCAA Cross Country Championships to earn All-America honors. Oral Roberts' Caleb Green becomes the Mid-Con's all-time leading scorer and rebounder. He also becomes the first four-time first team All-Mid-Con selection in men's

basketball and just the 15th Division I men's basketball player to be named conference player of the year three times. Green and teammate Ken Tutt become just the seventh set of teammates in NCAA Division I history to reach the 2,000-point plateau. Oral Roberts' Elisha Turek becomes the first player in league history to record more than 2,000 points and 1,000 rebounds. The Mid-Con has six Indoor Track & Field All-Americans as Oral Roberts' Jonathan Rivers, Ernest Stranz, Kevin Cave, and Andretti Bain claim the honors in the 4x400 relay, while Bain (400 meter run), ORU's Shaun Smith (800 meter run) and Valparaiso's Laura Rolf (mile run) take home individual awards. Oral Roberts wins its 10th-consecutive baseball and women's golf championships, both records for all sports. On June 1, 2007, the conference officially changes its name to The Summit League. One month later on July 1, 2007, IPFW, North Dakota State and South Dakota State join The Summit League. Charter member Valparaiso leaves the conference.

2007-08

Oakland becomes just the second Summit League men's soccer team to advance to the second round of the NCAA College Cup with a 2-1 win over Michigan State.

* Oakland's Marcin Unold places fifth in the 200 backstroke at the NCAA Championships, breaking his school record and earning All-America honors. It was the highest finish by an OU swimmer since moving up to NCAA Division I. He was also an All-American in the 100 back.

* Oral Roberts' Brian Van Kirk makes history when he becomes the first player in ORU's 43-year baseball history to receive more than one first-team All-America award in the same season.

* Nine Summit League baseball players - eight from ORU and one from South Dakota State - are selected in the MLB Draft.

* Andretti Bain becomes Oral Roberts' first national champion when he wins the 400-meter dash at both the NCAA Indoor and Outdoor Championships.

* IUPUI's George Hill becomes just the second Summit League player ever to be drafted in the first round of the NBA

Draft when he was selected as the 26th pick by the San Antonio Spurs.

* A record 10 Summit League student-athletes are named Academic All-Americans by CoSIDA/ESPN The Magazine.

THE COLLEGE

Centenary College of Louisiana is a selective liberal arts college offering undergraduate programs in the arts, humanities, natural sciences, and social sciences, as well as a limited number of graduate programs. Students and faculty work together to sustain a community focused on ethical and intellectual development, respect and concern for human and spiritual values, and the joy of creativity and discovery. Consistent with its affiliation with the United Methodist Church, the College encourages a lifelong dedication not only to learning but also to serving others.

In pursuit of these ideals, the College challenges its students to write and speak clearly; to read, listen, and think critically; to comprehend, interpret, and synthesize ideas; to analyze information qualitatively and quantitatively; to appreciate the diversity of human cultures; to respect the value of artistic expression; to realize the importance of a healthy mind and body; and to recognize the interdependence of people and the environment.

Academic Program

Centenary College of Louisiana offers three undergraduate degree programs: the Bachelor of Arts, the Bachelor of Science and the Bachelor of Music.

The Centenary curriculum aims to produce graduates of extraordinary intellectual and vocational versatility who are prepared to assume responsible positions in their communities and professions. The College prepares its students in critical thinking and in the fundamental communication skills of writing, speaking and numeracy.

The core curriculum begins with the First-Year Experience, which initiates an emphasis on critical thinking and rhetorical skills in an interdisciplinary context. The balance of the core curriculum further develops these skills while it introduces students to basic areas and fundamental techniques of human inquiry. Specific core requirements are the First-Year Experience and selected courses offering inquiry in the humanities, mathematics, natural sciences, and social sciences. Additionally, all

undergraduates participate in the Centenary Plan, which involves a service-learning project, career exploration, and an intercultural experience.

Academic Facilities

Centenary has a personal computer for one of every three undergraduates. Every residence hall room is wired for free, direct Internet and computer connections. Some 30 computer laboratories are spread throughout campus, as are numerous multimedia editing and projection facilities. The Magale Library, the academic heart of the campus, has a wealth of volumes, searchable databases, personal computers, multi-media accessories, and software programs.

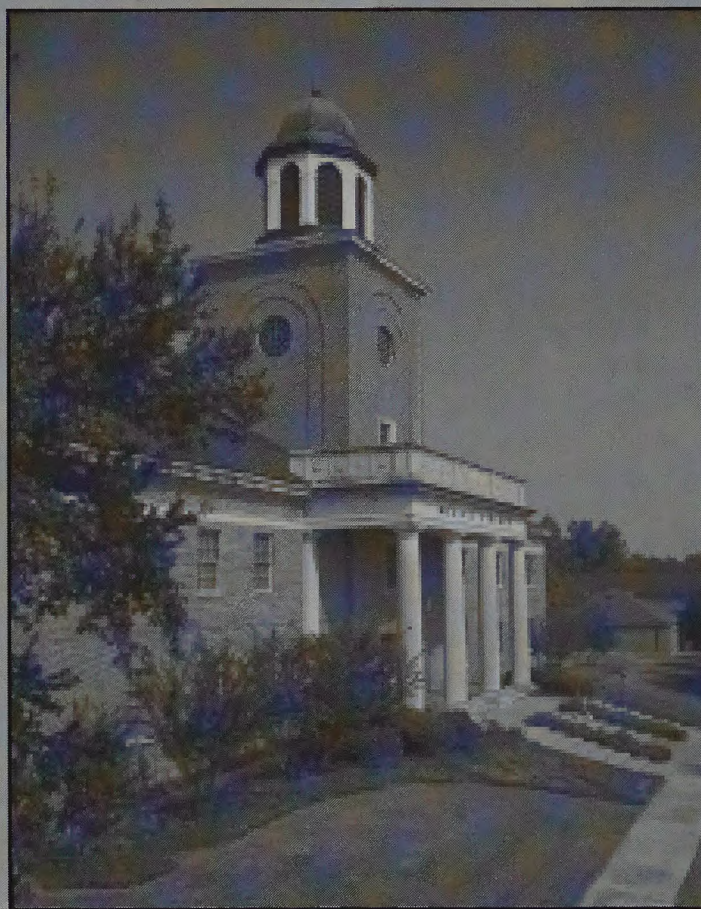

Specially equipped buildings and facilities include the Marjorie Lyons Playhouse, the Gold Dome, the Fitness Center and Swimming Pool, Mickle Hall of Science, Hurley Music Building, Jackson Hall, Turner Art Center, and the Meadows Museum of Art.

Faculty

More than 90 percent of Centenary's faculty holds the highest degree in their discipline. There are 74 full-time and 41 part-time faculty members, with a student-faculty ratio of 12 to 1. There are no graduate students teaching classes at Centenary. The primary emphasis is on teaching, although research and service activities are also important components of the Centenary experience. These activities involve undergraduates to an extent unavailable at large institutions.

Summary

Academic and co-curricular programs support students in their development and encourage them to become leaders in the work place, the community, the nation, and the world at large.

CENTENARY ATHLETICS

Centenary College of Louisiana has fielded an athletic team in at least one sport since 1894, when the football team faced Louisiana State University. Centenary's football squad was one of the best in the South in the first half of the 20th century, the high point being an undefeated 10-0 season in 1927.

Centenary produced professionals Conway Baker, Buddy Parker, and Cal Hubbard. Hubbard is a member of three halls of fame: Pro Football Hall of Fame, College Football Hall of Fame, and Baseball Hall of Fame. However, the poor oil economy in the area forced the discontinuation of the football program in 1947.

The 1920s saw the establishment of the men's basketball and baseball teams at Centenary. The basketball Gents have had 45 seasons with a .500 or better winning percentage, including the 2003-2004 campaign.

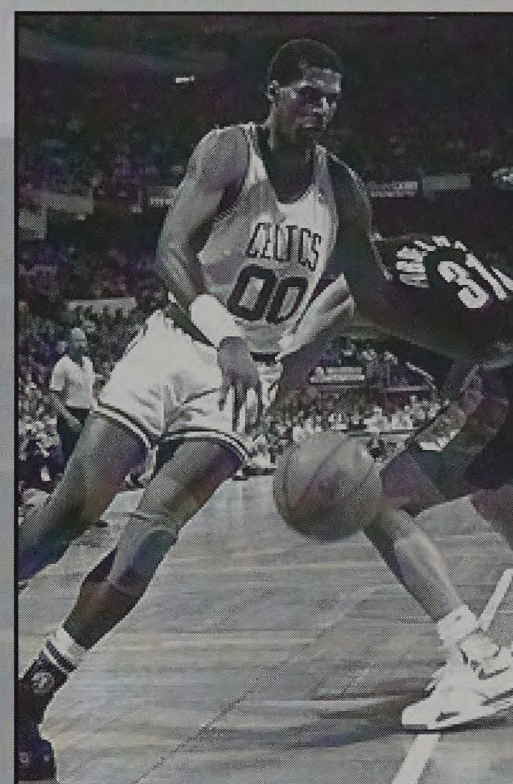

From 1972 to 1976, Robert Parish dominated Centenary's opponents, leading the Gents to an 87-21 record over that span. Parish still holds numerous Centenary records, including the single game scoring record (50

points vs. Lamar in 1972), the single season rebounding record (18.7 rpg in 1972-73), and the career record for most field goals made (1,034). Parish was drafted in the first round by the Golden State Warriors in 1976 and later, as part of arguably the greatest frontcourt in NBA history, won three NBA championships with the Boston Celtics in the 1980s. In September 2003, Parish was inducted into the National Basketball Hall of Fame.

With its 1,000-seat stadium, the baseball team is attracting top players to play for Centenary and top teams to play against the Gents. Thirty-two players who put on the Centenary uniform have gone on to play professionally. In recent years, the Gents have hosted, Arkansas, Nebraska, Texas A&M, and LSU in Shreveport.

In 1980 the Golf Magazine College Player of the Year did not come from a traditional power. Hal Sutton, a native of Shreveport who stayed home to attend Centenary, won that honor as well as the 1980 U.S. Amateur. Sutton has gone on to win two Players Championships, a PGA Championship, and a Tour Championship, as well as earn a spot on four U.S. Ryder Cup teams. In 2004, Sutton served as the Ryder Cup captain for the United States squad. Recently Centenary athletes have found their names at or near the top of the NCAA rankings. In 2000, women's soccer player Lara Brown led all Division I players in points per game and goals per game. Ronnie McCollum followed suit during the 2000-2001 basketball season, leading the nation in scoring. Andrew Wisniewski picked up where McCollum left off, finishing in the top 20 in scoring and steals during the 2002-2003 season.

With the addition of men's and women's swimming in 2002-2003, Centenary now sponsors 16 intercollegiate sports, as many as any other Division I program in Northern Louisiana. Recent athletics highlights include the gymnastics team winning

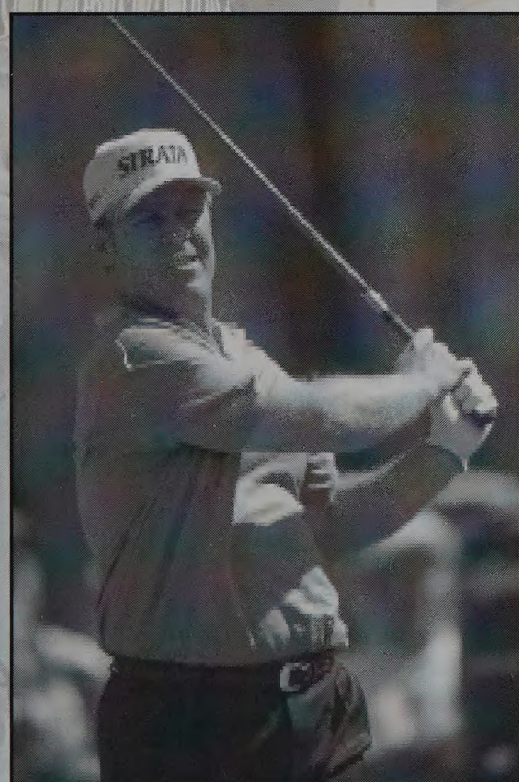

Robert Parish '76

the 2004 USAG National Championship and the softball Ladies earning a trip to the NCAA Tournament in both the 2004 and 2005 seasons. In addition, Centenary athletes have won the Summit League's prestigious Student Athlete of the Year award three times since joining the conference in the fall of 2003.

The history of the Centenary athletics nickname "Gentlemen" is quite unique. First established in the fall of 1921 by then-Centenary President George Sexton, it seems the football team had been in a fight the previous game, and Sexton sat the team down before the next game and told the players, "...from now on, you will all act like Gentlemen."

With the majority of Centenary men also soldiers, the moniker "Gentlemen" or "Gents" was a logical choice. A tongue-in-cheek account that first mentioned the new nickname appeared in the 1923 Yoncopin (Centenary's yearbook) in the football summary.

The nickname has stuck ever since and it was natural to call the women's teams the "Ladies" when the school began women's sports in the 1960's.

SHREVEPORT

That's right, there's a side of Louisiana that you may not be familiar with... one that you have to experience to fully understand. The northwest part of the state, in and around Shreveport-Bossier City, is a little different than the rest of Louisiana. It's a mixture of the wide-open Texas spirit and the spicy Cajun attitude. Where cowboy meets Creole. Where spicy Louisiana crawfish meet big Texas t-bone steaks.

Our unique blend of cultures has a tendency to sneak up and surprise you. You come here expecting to explore our vast musical heritage, but it's not just jazz, it's country, bluegrass and folk music too. You expect the bright lights and fast action of the casinos, but excellent shopping and family entertainment is all around. If you're looking for a getaway that's full of variety and offers a taste for life, you've come to the right place.

Louisiana's other side is a term we use to describe our location in the state and our unique combination of Louisiana Cajun culture and East Texas cowboy heritage. On the surface there are a lot of obvious reasons people are drawn to northwest Louisiana.

From the glittering excitement of the casinos, the wonderful array of festivals, the mouth-watering local cuisine, fantastic shopping and numerous outdoor activities, to the museums and attractions – this area has all the necessary ingredients for a memorable getaway. That's what makes northwest Louisiana a hot destination. But that's not all there is to "Louisiana's Other Side."

Centenary College is located two miles from downtown Shreveport, the third largest city in the state of Louisiana. Shreveport is located on the west bank of the Red River in Northwest Louisiana. Over 300,000 people reside in the metropolitan Shreveport area.

Shreveport is considered the geographical, cultural, and economic center of the region known as the Ark-La-Tex,

encompassing East Texas, Northern Louisiana, and Southern Arkansas. Shreveport is only a few hours away by car from other major cities such as Dallas and Houston in Texas, Baton Rouge and New Orleans in Louisiana, Jackson, Mississippi, and Little Rock, Arkansas.

Shreveport is separated from Bossier City by the Red River, but many locals consider themselves residents of the Shreveport-Bossier region as a whole instead of one of the specific cities. People who live here think nothing of crossing the river to take in an event, no matter which city is the official host.

There seems to always be a festival going on that shines a spotlight on some aspect of life in Shreveport-Bossier that is unique. In May, the Mudbug Madness Festival celebrates the abundance of crawfish found in the area, while African-American culture is celebrated in June with the Good Times Roll Festival, featuring music, art and food.

One of the major highlights of the year in Shreveport is the State Fair of Louisiana, held every October. The fair features more than 70 rides and one of the finest livestock gatherings in the United States.

Another major event that showcases Shreveport on a national level is the

Independence Bowl, held in late December. The annual football game, featuring a team from the Big 12 Conference against one from the Southeastern Conference, is carried on national television and showcases the Shreveport-Bossier community coming together to make the event a success.

That is not the only athletic competition held in the area. The CenturyTel Center, a 12,000-seat arena opened in 2000, is the home of minor league hockey and arena football, as well as basketball games and wrestling events. National fishing tournaments and golf tournaments have also been brought to Shreveport-Bossier in recent years.

The area features a wide range of museums, from autos and aviation to science and Elvis Presley.

Many of the buildings in downtown Shreveport are now listed on the National Register of Historic Places, and a trip to the piney woods of Northwest Louisiana will yield visits to rural towns such as Vivian, Plain Dealing and Shongaloo, each one with its own collection of treasures, history, and fine dining.

There are plenty of outdoor activities in the Shreveport-Bossier area. From hiking at the Cypress Black Bayou Recreational Area to golfing at Olde Oaks Golf Club, a Hal Sutton signature course and part of the Audubon Golf Trail, there is something for everyone.

PRESIDENT OF THE COLLEGE

DR. KENNETH L. SCHWAB President of the College

Dr. Kenneth L. Schwab, President of Centenary College since 1991, has been firmly established as an excellent educator and administrator over nearly 30 years of service. During his career, Dr. Schwab has consistently applauded student-athletes who pursue academics and sports with equal fervor, discipline, and high standards, and it is these characteristics that make Centenary Gents and Ladies stand out among their peers.

A tenured professor in the Department of Education, Dr. Schwab hails originally from Indiana where he received his bachelor's degree from Purdue University in 1969. He then earned his master's in guidance and counseling from the University of North Carolina-Greensboro in 1972 and his doctorate in higher education administration at Indiana University in 1978.

Though Dr. Schwab has held many administrative positions at Centenary and other institutions, he continues to pursue his own scholarship as well, publishing a book, numerous articles, and several institutional planning documents regarding presidential leadership and transformational change. Indeed, Dr. Schwab's keen interest in leadership and strategic planning helped Centenary's latest comprehensive campaign raise over \$100 million for the college. This amount exceeded the initial goal by over \$30 million, enabling Centenary to build two new music facilities as well as renovate residence halls and the fitness center.

These improvements do not merely benefit the campus, though. From the arboretum to the chapel, the playhouse to the library, recital halls to the Gold Dome, Centenary encourages student involvement, preparing scholars for active civic participation. This small liberal arts institution focuses on the student and endeavors to facilitate academic, athletic, and social development for the whole person. Our faculty and staff are committed to these goals, particularly for student-athletes.

Dr. Schwab has actively involved himself with Centenary students throughout his tenure here. He team-taught Centenary's First-Year Experience program with the college's Chair of Liberal Arts one semester, and he travels with various Centenary groups like the college choir, always remaining a great Gents and Ladies supporter. In fact, he and the Centenary Gent mascot led the campus as they unveiled the new fitness center.

Active on-campus and off, Dr. Schwab participated in the Salzburg Seminar sponsored by the W.K. Kellogg Foundation, served as a European Community Visitor to the Commission of European Communities, and continued his scholarly work at Oxford, Johns Hopkins, and Harvard Universities. He also represents Centenary on a number of community and academic boards, including the Associated Colleges of the South Board of Directors.

Dr. Schwab has three sons (Kempton, Carlton, and Christopher) that played select soccer throughout their school years. He is married to Kathy.

President Schwab has announced his retirement from Centenary College, which will become effective in June 2009.

ATHLETIC DIRECTOR

DR. TOM TALLACH **Director of Athletics**

Dr. Tom Tallach, a Centenary alum and former Gents baseball player, enters his second year as Director of Athletics at Centenary after being named to the position on July 3, 2007. Tallach follows Taylor Moore, who stepped down to pursue private business interests after serving as head of the athletics department for three years, and Interim Director Glenn Evans.

A 1993 Magna Cum Laude graduate of Centenary, Tallach returns to his alma mater with over nine years of athletics administrative experience. Most recently, he served as Assistant Athletics Director and Compliance Officer at Tarleton State, a NCAA Division II institution in Stephenville, Texas, from 2005 through 2007.

Prior to Tarleton State, Tallach gained valuable experience at Texas A&M-Commerce (Commerce, Texas) over his 11 years of service at the school. At Commerce, he was the Assistant Athletics Director for the Lions athletics programs from 1998 to 2004 and spent his final 18 months as Interim Director of Athletics from February 2004 through August of 2005.

Tallach took an active role in administrative leadership at both of his previous stops. He was a member of the Division II South Central Regional Softball and Women's Basketball Tournament Committees in addition to serving on the West Regional Women's Soccer Tournament Committee. He was director of the Men's Basketball South Central Regional Tournament and chaired the Lone Star Conference Compliance Coordinators and the SACS Sub-Committee for Intercollegiate Athletics at Texas A&M-Commerce.

Tallach has a unique blend of knowledge that is perfect for the athletics director's seat. Not only does he have the work history in athletics administration, but he can also draw from his experiences as a coach, player, and a member of the faculty.

While at Commerce, Tallach was a teaching assistant in the Department of Health and Exercise Science from 1993 to 1996. He also was an assistant basketball coach at Commerce and Ouachita Baptist for a total of five years. His collegiate baseball career spawned back-to-back Trans America Athletic Conference (TAAC) Western Division Championships in 1992 and 1993 for Centenary, and he was named TAAC Academic All-Conference.

Evidence of Tallach's early leadership at Centenary can be seen on campus today, as he led the effort to conceptualize the Centenary Wellness Center in his role as President of the Centenary Student-Athlete Advisory Committee in his senior year.

After earning his Bachelor of Science in health and exercise science from Centenary in 1993, Tallach went on to acquire a Master of Science degree in health and physical education from Texas A&M-Commerce in 1994. He then earned his Doctor of Education in 1997, also from Texas A&M-Commerce.

Tallach's hard work and vision have already produced results on campus. Several projects are under way including upgrades to video editing tools for scouting, wireless internet to the outdoor athletic facilities, and live audio/video streaming of basketball games. His immediate goal of boosting membership in The C Club has already been accomplished and then some.

**Head Athletic
Trainer**
Alan Edwards

Alan Edwards begins his 14th year as head athletic trainer for the Centenary athletic program. Edwards is a 1991 graduate of McNeese State University with a Bachelor of Science in health and physical education. He earned his Master's Degree in exercise science at Northeast Louisiana University in 1993. Edwards' services are provided through a partnership between Centenary College and Christus Schumpert Health System.

Dustin Bradstreet enters his sixth year as an athletic trainer at Centenary having moved to Shreveport from Wichita, Kansas. Bradstreet is a 2001 graduate of Fort Hays State University where he received a Bachelor of Science degree in physical education with a focus in athletic training. He continued his education at Fort Hays and graduated in 2003 with a Masters Degree in Health and Human Performance with emphases in exercise science and sports administration. He is certified with the National Athletic Trainer's Association Board of Certification and has been in good standing since 2001.

Athletic Trainer
Dustin Bradstreet

Mike Peck is in his fourth year with the Centenary athletics program after working extensively with many of the area schools and professional teams since 2001. He previously assisted with the athletic trainers at LSU-Shreveport and the Shreveport Sports independent baseball team while serving as the head athletic trainer for the Bossier-Shreveport BattleWings of the AF2 (Arena Football). Peck earned both his Bachelor of Science in Physical Education with an emphasis in athletic training, and his Master of Science in Physical Education with an emphasis in Sports Administration from Fort Hays State. Peck also served in the United States Army, the Army Reserve, and the Kansas Army National Guard for a total of 11 years of military service.

Edwards, Bradstreet, and Peck also supervise student and volunteer assistants as they gain valuable experience in their pursuit of becoming Certified Athletic Trainers. Student and volunteer assistants obtain practical experience at home and on the road, working with the Gents and Ladies athletic teams.

The Centenary College sports medicine facility is located on the bottom floor of the Gold Dome, where continued improvements have resulted in an enhanced facility. The improvements include an upgraded computer system with injury tracking software, the addition of two stationary bicycles, and an increased storage capacity for the daily supplies used in treatments of student-athletes.

The training room is equipped with modalities to assist athletic trainers in the treatment of injuries of Centenary athletes. The room also contains training tables, an ice machine, and a whirlpool.

TONY BLACK

Interim Sports Information Director

Tony Black begins his second year with the Centenary College sports information department, serving as Interim Sports Information Director.

Black's primary responsibilities include serving as the contact for men's and women's soccer, women's basketball, men's and women's swimming, men's and women's golf and baseball. He will also assist in game day management for all home Centenary athletic events.

Prior to Centenary, Black served as a graduate assistant in the media relations office at Northwest Missouri State for the 2005-06 season and was named Media Relations Assistant at West Texas A&M for the 2006-07 campaign.

A native of South Bend, Ind., Black graduated from the University of Southern Indiana in 2004 with a degree in Radio/Television. At USI, Black served as Sports Director for the campus radio station, where he did play-by-play and daily news as well as sports updates. Black also worked for the campus TV station, shooting video for the weekly news program, while also serving as a film critic. He was Sports Editor for the campus newspaper, and also assisted in the sports information office at USI.

In his free time, Black enjoys following the Chicago Cubs and Notre Dame football. He is also a member of the Louisiana Sports Writers Association (LSWA) and the College Sports Information Directors of America (CoSIDA).

ALLISON MCCLAIN

Sports Information Student Assistant

Allison McClain enters her second year as a student assistant with the Centenary College sports information department.

McClain's primary responsibilities include serving as the contact for men's basketball, along with men's and women's golf. She will also assist in game day management for all Centenary home athletic events.

Not only does she serve as a student assistant, McClain is a senior communication-professional writing major, who also is a member of the Centenary Ladies softball team. As a utility infielder, she has been named all-conference and was honored by the LSWA (Louisiana Sports Writers Association) during her sophomore season.

A native of Diboll, Texas, McClain graduated from Diboll High School in 2005 and graduated Valedictorian.

Upon graduating from Centenary this May, McClain will intern in the Houston Astros media relations office and looks to continue working in media relations for a college or professional sports team.

HEAD COACH

MARK MONTGOMERY HEAD COACH

Mark Montgomery is in his sixth season as the head coach of the Centenary Ladies softball team. In just six years, Montgomery has brought the Centenary program from an independent team to an annual NCAA Division I championship contender and is the winningest softball coach in Centenary softball history. He is 46 games over .500 in his seven-year college head coaching career and has notched 174 wins at Centenary.

The 2008 Ladies started slow, but won a school record 14 straight games, which helped give them the No. 1 seed in The Summit League Tournament. Montgomery helped coach three student-athletes to the all-conference team. Pitcher Lauren Highsmith also led the nation in saves under his tutelage.

In 2007, the Ladies finished with a mark of 22-27 as more than 10 games were erased from the schedule as a result of poor weather. Montgomery led Centenary into the Mid-Continent Conference Tournament for the fourth consecutive season and saw two players receive All-Conference accolades and All-Louisiana honors.

2006 saw Montgomery's team finish with a record of 31-25, the third consecutive winning season and the third straight campaign with 30 or more wins. The Ladies placed second in the Mid-Con regular season standings and several players enjoyed individual recognition. Three players were named All-Mid-Con, two were selected Mid-Con All-Tournament Team members, three were All-Louisiana picks, and one was an NFCA All-South Region honoree. In addition, a Centenary player was again named the Mid-Con Newcomer of the Year as well as the All-Louisiana Newcomer of the Year, and a player appeared in *Sports Illustrated's* Faces in the Crowd section for her accomplishments.

In 2005, Montgomery led the Ladies to their second consecutive

Mid-Con Tournament title and their second straight trip to the NCAA Tournament. Centenary finished with a 31-28 mark and placed seven players on the All-Confer-

ence team. Four Ladies were given first team honors and five more were named to the All-Tournament team. In addition, the tournament MVP came off of the Centenary squad.

With 2004's record of 36-28, Montgomery exceeded expectations tying a team record of wins in a season and took home the first conference title in Centenary softball history. In their inaugural season of Mid-Continent Conference play, Montgomery molded his first year class of recruits and achieved Centenary's first winning season since 1991. The postseason tournament concluded with players earning Mid-Con Pitcher of the Year and Newcomer of the Year honors, as well as four Ladies being named to the All-Conference first team. The conference win led the team to their first NCAA Tournament appearance. Battling #1 Arizona, the Ladies came close to a near-upset, leading the Wildcats 1-0 into the bottom of the sixth inning. Their impressive effort ended with a tough loss of 2-1. Coach Montgomery's athletes excelled on and off the field with 11 players named to the Academic All-Conference Team, more than any other Mid-Con softball team.

His first season as a Division I head coach was equally impressive, highlighted with the first Centenary no-hitter in five years, winning three of four extra-inning games, and several players earning conference and tournament accolades. The season opened with a dramatic win over softball powerhouse Florida and ended with another impressive spilt with Hawaii. Both the Gators and the Rainbow Wahine advanced to the NCAA Tournament in 2003. The season concluded with a 20-35 record.

On August 30, 2002, Montgomery was named the sixth women's softball head coach in the program's 17-year history. His goal was to bring the Ladies back to a winning tradition, reminiscent of the program's hey day in the 1980's.

Coach Montgomery came to Centenary after serving two years as head coach at Georgetown College in Kentucky. Under his leadership, the Tigers went 72-31 and advanced to the NAIA regional tournament both seasons. He was named the Mid-South Conference Coach of the Year in 2002 after Georgetown won the conference's regular season and tournament championships. The team also achieved regional runner-up finishes.

Coach Montgomery is no stranger to NCAA Division I softball, having served as an assistant coach under Beth Kirchner at the University of Kentucky in the 2000 season. He helped the Wildcats earn their first winning record in school history as well as a first place finish in the SEC Eastern Division.

Throughout the 1990s, Coach Montgomery was a successful high school coach at Lafayette High School in Lexington, Kentucky, and Richmond Model High School in Richmond, Kentucky. While at Lafayette High, Montgomery's teams won seven district titles, five regional titles, and a state championship. He was inducted into the Kentucky High School Softball Hall of Fame in June of 2004.

Montgomery received a Bachelor of Arts degree in history education from Eastern Kentucky in 1992 and a Master's degree in secondary education from Georgetown College in 2000. Mark and his wife, Melanie, have three daughters, Bailey, Emma, and Adrienne.

ASSISTANT COACH

LYNDSEY ANGUS
ASSISTANT COACH

Angus enters her third season as an assistant coach with the Centenary softball program. She will be involved in all aspects of coaching, including recruiting, scouting, conditioning, and on-field instruction.

Angus arrived at Centenary after spending a year as the graduate assistant coach at Valdosta State. She is also a member of the New England Riptide of the National Pro Fastpitch League. She was named to the NPF All-Star team in 2005 after hitting a robust .367 at the plate.

Prior to her professional playing career, Angus was a four-year letter-winner in softball at the University of Kentucky. While playing for the Wildcats, she was named to the All-SEC team three times and the SEC

Academic Honor Roll twice. She was selected to the National Fastpitch Coaches Association Regional Team in 2002 and 2003 and led the SEC in batting average (.429) in her senior season. Angus finished in the top 10 in batting average within the SEC all four of her years at Kentucky.

Angus played under current Centenary coach Mark Montgomery when he was an assistant at Kentucky.

ASSISTANT COACH

DAN MOREMAN
ASSISTANT COACH

Dan Moreman enters his second season as an assistant coach with the Ladies softball team. He will be involved in all aspects of the coaching process and will specifically oversee team strength and conditioning.

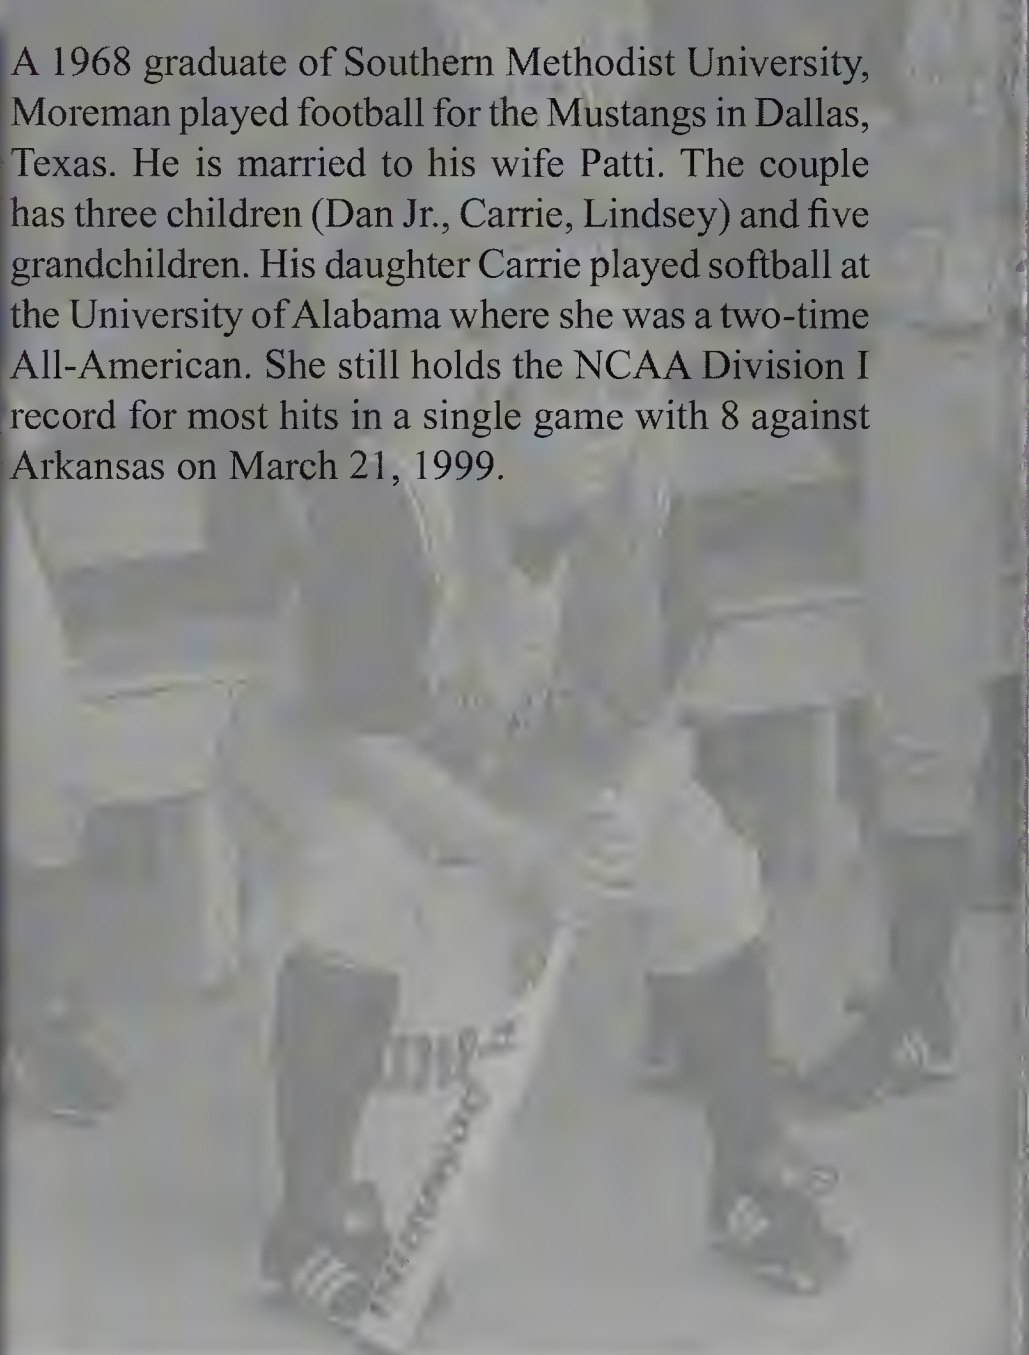

Moreman comes to Centenary with a wealth of softball coaching knowledge after spending 15 years in

the recreational and travel softball circuit. Four current Centenary players played on Moreman's Louisiana Pride team, including Haley Bassett, Allison McClain, Leslie Postles, and Allison Shepperd.

Most recently, Moreman spent three years as the head softball coach at Evangel Christian Academy in Shreveport. There he coached the Eagles to the schools first ever district championships and took the 2006 team to the state quarterfinals and the 2007 squad to the regional finals. His combined record in three years at Evangel was 69-25-3.

Moreman spent 33 years in the commercial insurance business and got his start coaching football and baseball for three years right out of college.

A 1968 graduate of Southern Methodist University, Moreman played football for the Mustangs in Dallas, Texas. He is married to his wife Patti. The couple has three children (Dan Jr., Carrie, Lindsey) and five grandchildren. His daughter Carrie played softball at the University of Alabama where she was a two-time All-American. She still holds the NCAA Division I record for most hits in a single game with 8 against Arkansas on March 21, 1999.

RADIO BROADCASTING/STUDENT MANAGER

ROY LANG III

RADIO

Roy Lang III is back for his second season as the play-by-play voice for Centenary softball.

Lang is the assistant sports editor at The Times in Shreveport, where he is set to celebrate his 10-year anniversary. He is currently serves as a columnist and his beats include the Dallas Cowboys, golf and mixed-martial arts.

The Chicago native has hauled in multiple writing awards and hosts several video shows at The Times. He has also served as the co-host of a pair of local radio shows and one national program.

Lang serves as the cage announcer for two MMA organizations and is a huge fan of the UFC. He moved from the icy north to South Florida to further a promising golf career in high school. He attended Centenary College on a full golf scholarship in 1989.

When he's not in front of a keyboard or in the middle of a cage, the Broadcasting major continues to get his heart broken by his favorite team, the Chicago Cubs. His other favorites – the Miami Dolphins, the University of Miami Hurricanes and the Chicago Blackhawks – haven't treated him well lately, either.

However, nothing erases the pain like the wagging tails of his two dogs Jordan (13) and Taylor (3).

ABBY HEWITT

STUDENT MANAGER

Abby Hewitt begins her first year as a student assistant coach under head coach Mark Montgomery.

Hewitt played her prep softball for Logansport High School and earned four letters as a catcher, outfielder and utility player. The Joaquin, Texas, native was named first team all-district as a junior and senior, along with garnering honorable mention all-district honors after her sophomore season.

She also helped her team to the state quarterfinals in 2008, regional finals in 2007 and bi-district in 2006 and 2005. Hewitt also hit her first career grand slam in 2008.

Abby is the daughter of Joe and Mickie Hewitt and has an older brother. She graduated with a 4.0 GPA, was member of the National Honor Society and won the John Phillip Sausa Award.

SENIORS

ALLISON MCCLAIN - #8

Utility Infielder

5-5, Senior

Diboll, Texas

(Diboll HS)

"Allison will once again serve a utility role for this team being called upon in a many offensive and defensive situations."

-Coach Montgomery

2008: Allison played in 54 games as a junior with 53 starts, all but two at first base.

She had seven multi-hit games on the year and a season-best five-game hit streak. She hit two home runs on the season and both came on the same day. She blasted a shot against IUPUI in the first game of a doubleheader and then launched another long ball in game two. Allison made just five errors in 296 total chances for a fielding percentage of .983. She also led the team in hit-by-pitches with 11.

2007: Allison stepped up big for the Ladies in her sophomore season as the primary utility infielder. She was named second team All-Mid-Con as a utility player and second team All-Louisiana by the Louisiana Sports Writers Association (LSWA). In addition, she was also tabbed Mid-Con Player of the Week and LSWA Hitter of the Week. Allison hit .282 with a .396 on base percentage. Defensively, Allison finished with a .982 fielding percentage committing only three errors in 138 chances while playing all four infield positions.

2006: Allison played in 49 games and started 43, mostly at second base, as a freshman. She played well in her initial season with the Ladies, hitting .275 with 36 hits, four doubles, 19 runs, 11 RBI and only six errors in 95 total chances.

High School: Allison was an outstanding athlete at Diboll High School where she earned four letters in softball as well as basketball. She helped the Lumberjacks to two Bi-District Championships and a District Championship. She was named to the All-District team all four years, was twice named Offensive Player of the Year, and was named Defensive Player of the Year. Allison was selected Team MVP and was chosen to the Texas Girls Coach's Association and Texas Sportswriters Association All-State Infield squad. In addition, she was named Academic All-State and a Texas High School All-Star. Allison also earned numerous awards for her basketball accomplishments and was very involved within her high school community. Some of her organizations include President of the National Honor Society, Texas Mock Trial Team, yearbook and newspaper editor, SMASH (Drug-Free) President, Student Council Secretary, Student Crimestoppers, and D.A.R.E Role Model. She served as the DHS Valedictorian and was named Student of the Year as well as Athlete of the Year.

Personal: Born in Nacogdoches, Texas, Allison is the daughter of Jim and Judy McClain. She has one younger brother, Wesley. Allison is a communications major and would like to work in media relations for a college or professional sports team.

LESLIE POSTLES - #10

Outfield
5-0, Senior
Shreveport, Louisiana
(Byrd HS)

"Leslie is the greatest defensive outfielder I've ever seen in my coaching career."
-Coach Montgomery

2008: Leslie played in 48 games as a junior and started eight contests, six of those in right field. She continues to be one of the Ladies' top defensive outfielders and was used often for her speed in pinch-running situations.

2007: Leslie appeared in 36 games in her sophomore season primarily as a late-game defensive replacement. Her speed and outfield range proved to be a key factor in many close games for the Ladies.

2006: Leslie appeared in 31 games as a freshman and started 12 games. Her speed and defensive skills were major assets to the Ladies as she was used in a number of key pinch-running situations and as a defensive replacement to protect Centenary leads. She did not commit an error in 20 chances in the outfield.

High School: Leslie earned three letters in softball at C.E. Byrd High School under Coach Jerry Badgley. She was named All-District three years as a centerfielder. A member of the National Honor Society, she was also a the historian of the SADD Club.

Personal: Born in Shreveport, Louisiana, Leslie is the daughter of Tom and Darlene Postles. She is a health and exercise science major that would like to become a physical therapist.

SENIORS

EMERALD DORIA - #14

Shortstop
5-8, Senior
San Antonio, Texas
(Holmes HS)

"Emerald embodies everything you want out of a shortstop. Not only is her defense amazing, but she knows the game and possesses great leadership, while also swinging a great stick."

-Coach Montgomery

2008: Emerald suffered an injury on the first day of the season and missed the next 17 games. Despite the missed games, the

junior bounced back to break the school record for most walks in a season (32) and was named first team All-Summit League. She hit .276 for the year, which was third-best on the squad, and led the team with a .421 on-base percentage. She enters her senior campaign second all-time with 81 career walks and also places in the top five in the career categories of runs (99), homeruns (15), total bases (209), batting average (.312), and slugging percentage (.473).

2007: Emerald continued her strong play for the Ladies finishing her sophomore season hitting .311 while leading the team in runs scored (27), on-base percentage (.424), and homeruns (3). She also had 10 multiple-hit games on the season to go along with 24 runs batted in. Emerald started all 48 games she appeared in for the Ladies.

2006: Emerald enjoyed a stellar debut season as the shortstop for the Ladies. She was named second team All-Mid-Con, Mid-Con Newcomer of the Year, second team All-Louisiana by the Louisiana Sports Writers Association (LSWA), and LSWA Co-Freshman of the Year in addition to Mid-Con Player of the Week accolades. She hit .339 with a team-best 10 homeruns. Her 48 runs scored and 106 total bases are new Centenary single-season records and she ranks in the top five of five other categories. She started all 56 games for the Ladies.

High School: Emerald was a four-time All-District selection in softball at Holmes High School. She helped the Huskies to three playoff appearances including a trip to the regionals. She holds the school record for most hits and steals in a season. Emerald was also named to the All-District team four times for her abilities on the basketball court. In her senior season, she was named to the All-State TABC Team. In the classroom, she was accepted to the Business Careers Magnet Program and the Leadership Challenge Program while also participating in the Spanish Club.

Personal: Born in San Antonio, Texas, Emerald's parents are Gerald Doria and Brenda Richarte. She has one younger sister and one younger brother. Emerald is a health and exercise science major and would like to coach high school basketball and softball upon graduation.

HALEY BASSETT - #6

Catcher/Third Base
5-6, Junior
Bossier City, Louisiana
(Airline HS)

"Haley is one of the best catchers in the conference. She is rock-solid behind the plate and extremely consistent offensively."

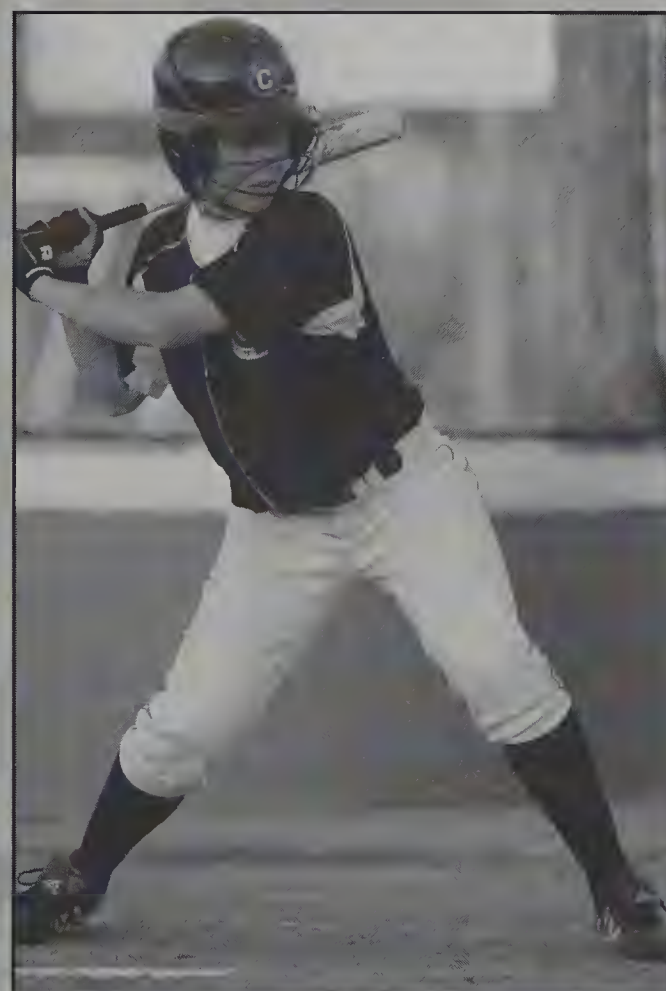

-Coach Montgomery

2008: Haley blossomed in her sophomore campaign, proving to be one of the best catchers in The Summit League. She led the team in games played (60) and games started (60). She also was one of only two players to play in every game and was the only player to start every contest. Her .315 batting average, 181 at-bats, 15 doubles, 57 hits, and 80 total bases were all good enough for second on the team. She also threw out a lofty 29% of all runners attempting to steal a base on her. Her 181 at-bats, 57 hits, and 15 doubles all rank in the top five of the Centenary single-season record book. She led the team with 353 putouts, had 16 multi-hit games, and 10 multi-RBI games.

2007: Haley enjoyed a solid freshman season stepping into the role as the starting catcher. She started all 49 games on the season at either catcher or third base and led the team in plate appearances (164) and at-bats (142). Haley batted .239 with 34 hits, seven doubles, and 20 RBI. Her first collegiate homerun came against Texas State where she went 2-for-3 knocking in two runs and scoring two runs. With her consistent play throughout, Haley was named to the Mid-Con All-Tournament Team.

High School: Haley lettered in three sports at Airline High School including softball, basketball, and soccer. She was named All-District and All-City all four years of her career and also earned All-State Honorable Mention accolades twice in addition to being a LSCA All-State selection as a senior. She helped the Vikings to four playoff appearances in softball and a record of 30-5-1 in her senior campaign. Haley was also active in other school organizations serving as Valedictorian and an officer for the Fellowship of Christian Athletes. She was also a member of Who's Who Among American High School Students and the National Honor Society.

Personal: Born in Bossier City, Louisiana, Haley is the daughter of Mike Bassett and Debi Giglio. She has one younger and one older brother. She is a health and exercise science major and plans to work in the field of physical therapy.

ALLISON SHEPPERD - #15

Catcher/Third Base

5-6, Junior

Marshall, Texas

(Marshall HS)

As an All-Conference selection and our best hitter from last season, look for Alli to only improve in 2009."

-Coach Montgomery

2008: Allison turned in one of the best of-
fensive seasons in Centenary softball history as a sophomore. She led the team in batting average (.365), hits (65), RBI (43), doubles (18), triples (2), total bases (99), and slugging percentage (.556). Her batting average and total bases are third best all-time in a Centenary single season and her slugging percentage ranks fourth. She set new school records for most hits, RBI, and doubles in a season and was all over The Summit League leader board in numerous offensive categories. She was named first team All-Summit League, Summit League All-Tournament, and second team All-Louisiana by the Louisiana Sports Writers Association. She ranks second in Centenary softball history with a career

batting average of .334, is second in career slugging percentage at .519, and is fifth with 30 career doubles. She ended the season riding a team-best 11-game hitting streak.

2007: Allison had a stellar freshman campaign leading many of the Ladies' offensive categories. She batted .296 with 42 hits. Allison led the team in doubles (12), total bases (67), slugging percentage (.472), triples (2), homeruns (3), and stole 10 bases. She belted her first career homerun against Southern Illinois and committed only three errors on the season.

High School: Allison earned numerous honors while helping Marshall High School to the playoffs all four years of her career. She was named All-State twice, was All-East Texas in 2005 and 2006, was first team Offensive MVP in 2004 and 2006, and earned All-District citations all four years. She was voted the team MVP twice for the Mavericks under Coach Jon Purifoy and led the team in batting average three times. In the classroom, Allison was top 10% of her class and was a member of Who's Who. She was the Homecoming Queen, a Class Favorite four years in a row, and was first runner-up for Miss MHS.

Personal: Born in Dallas, Texas, Allison is the daughter of Leroy and Laura Shepperd. She has one younger and one older brother. She is a health and exercise science major who would like to coach softball and be a teacher. Allison is also a member of the Fellowship of Christian Athletes.

-Coach Montgomery

CENTENARY SOFTBALL COMPLEX

The Centenary Softball Complex has evolved into one of the finest collegiate playing venues in the region after several recent renovations. The Ladies are proud to call the Centenary Softball Complex home and the softball program wishes to thank everyone who made the improvements possible.

The complex offers brand new dugouts, a new press box, a new backstop with netting, a new sound system, and a reconfigured visitor's bullpen. The facility also includes a lighted and covered three-tunnel batting cage, a dual home bullpen, and wireless internet. Restrooms and a concession stand for the fans are located just steps from the bleachers.

Centenary hosted the 2007 Mid-Continent Conference Softball Tournament, and prior to the big event, a new brick backstop was built. The old chain-link fence was removed and the new backstop was designed to go from dugout to dugout. It sports a classic brick look on the outside that faces the fans and the inside is painted green to blend in better with the field. Netting was hung to protect the fans, but it also provides better viewing as the netting is thinner than the old fence.

Also installed in time for the tournament was a new sound system. A set of four top-quality speakers were hung, two at each end, to the new backstop. The directional speakers provide a great sound to the players and fans alike, and can be controlled to maximize the overall experience of any visitor.

Phase two of the softball field project began in the fall of 2007 when the dugouts were torn down to make way for two new ones. The newly designed dugouts are longer and deeper to accommodate more space for the teams. The home dugout also has a storage unit affixed to the south side of it. Both dugouts are lighted, have beautiful new benches, helmet and bat racks, and were painted Centenary maroon on the inside.

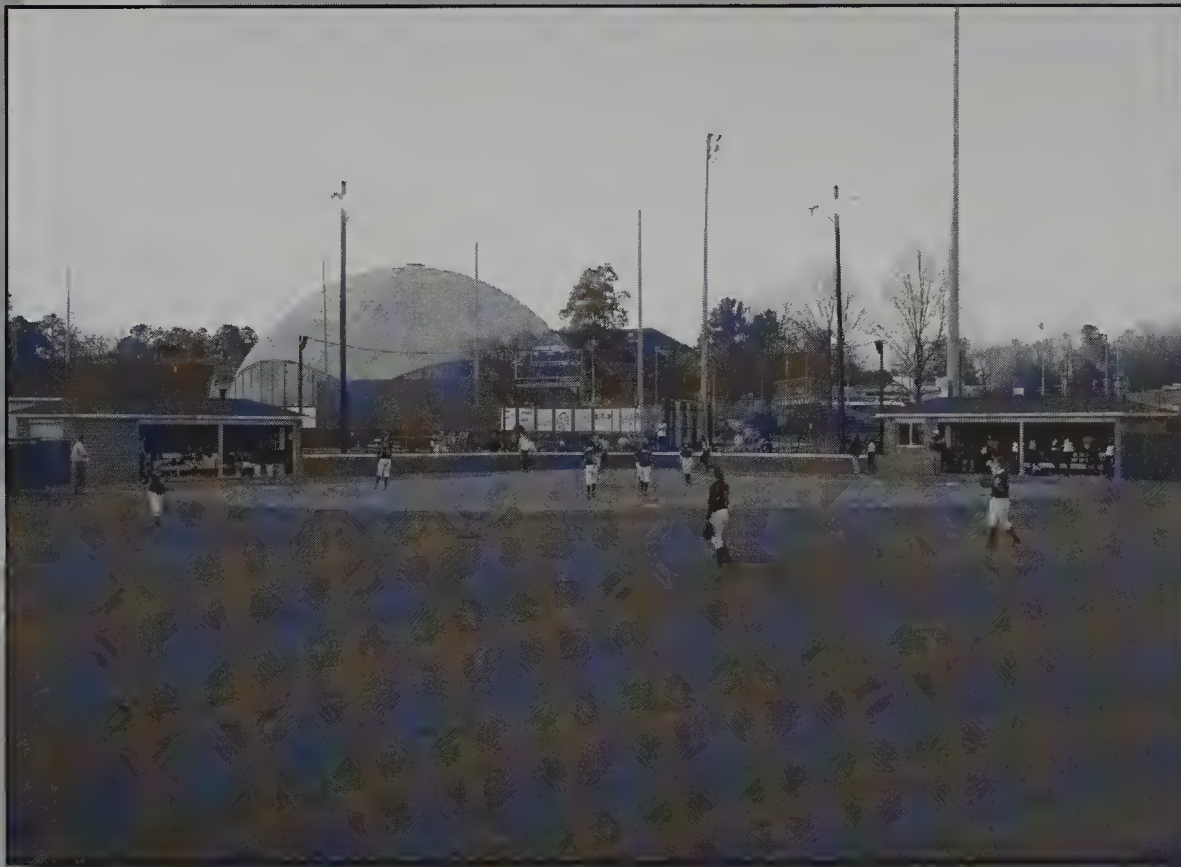

The dugouts were not only widened and lengthened, but set to a new angle to allow fans in the bleachers

an optimal view from their seats. In addition, the press box was affixed to the visitor's dugout and was also widened and lengthened. The press box is equipped with shatter-proof sliding glass doors and a heating and cooling system.

Wireless internet was installed at both the base-

ball and softball complexes upon completion of the softball dugouts, which allows the broadcast of all Centenary Ladies home games via live audio stream through www.GoCentenary.com.

We hope you enjoy your visit to the newly renovated Centenary Softball Complex and we thank you for your continued support of the Ladies Softball team!

LADIES IN THE COMMUNITY

It has been argued for many years that athletes are role models. People look up to athletes because of the way they hit a ball, and some athletes have tried to run away from that responsibility.

The Centenary Ladies embrace their role at the end of every fall season. Every season since taking over the Centenary softball program in 2003, Head Coach Mark Montgomery and his staff have planned numerous yearly community service projects for the team to undertake as a wrapup to the fall season.

These projects give the Ladies a chance to give time and attention to people who are less fortunate than they are. The coaching staff feels that these trips also serve as good bonding experiences for the team, especially with many newcomers joining the squad each season.

In the past, the Ladies have traveled to the Irving Place Rehabilitation and Nursing Center and had dinner with the senior citizens living there, playing checkers and talking with them. The Ladies have also gone to the Salvation Army to feed those in need by wrapping over 100 barrels for the Thanksgiving and Christmas food drive.

At the Caddo Parish Humane Society, they cleaned and exercised the animals as well as engaging in other activities. Finally, at the local YMCA, the team cleaned the camp grounds to make them playable again.

This year, the Ladies have already visited the Shriner's Hospital and have worked on behalf of the Northwest

Louisiana Food Bank.

The Shriners of North America have a philanthropic mission to support Shriners Hospitals for Children, a world-

class network of 22 pediatric specialty hospitals located throughout the United States, Canada and Mexico. Since 1922, Shriners Hospitals for Children

have significantly improved the lives of more than 800,000 children.

The Ladies were divided into groups of three per every child visited. The players helped the patients create a hat using straws and tape. The program proved to be enjoyable for both the players and the individuals at the hospital. When finished, the Ladies put on a funny skit for the audience of children about what they would like to be if they weren't softball players.

"It is very exciting to be able to get our players out into the community and touch lives like that, even if it is just for a moment," said head softball coach Mark Montgomery. "I know our players enjoyed their visit, and I hope the individuals we met today enjoyed it as well."

By all accounts everyone involved, the players and the people they helped, were happy with the results of these projects. Montgomery's plans to make this an annual occurrence has provided everyone associated with a well-rounded experience.

The Ladies and Coach Montgomery look forward to continuing their service to the community for many years to come. If you have suggestions as to how the Ladies can impact your community, please feel free to call the Centenary softball offices and speak with a coach.

Several members of the Centenary softball team serve food during a community service event at the local Providence House.

Ladies volunteer at the Northwest Food Bank as part of their ongoing community service.
